A popular urban beach is Playa de Venus. Aptly named for its beauty, this stretch of sand in Marbella Harbor welcomes tourists and locals to waterfront restaurants, lounge chairs and a children's play area. From its black sandy shore to the white tips of sails and high-priced yachts on the water, this beach promises the height of rest and relaxation.

Visit Marbella Beaches and Nearby Attractions

Famed for its powdery golden sands, Playa de Nueva Andalucia offers

another option for sunbathing or water sports, such as windsurfing or jet skiing. Equipment may be rented on the beach by the hour or day. This beach is near luxury resorts and the exclusive Puerto Banus marina.
